++ **Note:** Like all lawyers, we bill for out of pocket expenses. There is a 6% service charge on all attorney's fees to pay for the cost for photocopies, faxes, postage, long distance phone rates, etc.

RFE's: If the BCIS makes a request for additional evidence, client agrees to pay Five Hundred Dollars (\$500.00) for all the work for responding to that request. Client must pay the Five Hundred Dollars (\$500.00) in advance to cover the attorneys' fees and other costs before Attorney will be required to do any work on the request for additional evidence by the BCIS. Any amount paid for RFE's shall be applicable to and deducted from any remaining balance due on approval.

All fixed fees are based on the firm's experience in preparing similar cases. If client is dilatory in providing supporting materials there may be additional hourly charges assessed on the case.
